

Thirsty in the Rain

Keller Williams

I woke to the world one morning
I did not really know what was going on
I didn't care about tomorrow
I worry when tomorrow comes
I went outside that night
Set the ole imagination a flight
For one second I, I felt like a kid on Christmas day
Feeling stops all if said in a word
I will explain if I may
I climbed up a tree that night
I sat up in the branches and I felt like a bird
It was the best feeling in the world
I felt so good that night that my soul, it seemed to fly around
that night
As I flew that night
For one second I felt like a bird
Hangin' up in the air
Feelin' stops all
If I said in a word
The feeling to be without a care
Swam in the sea that night
Dove through the waves and I felt like a fish
It was the best feeling in the world
Felt so good that night
My soul it seemed to swim around that night
As I swam that night
For one second I
Felt like a fish
Cruising around in the sea,
The feeling stops all
If I said in a word
The feeling to be free
