

# Addicted

Kelly Clarkson

**Bm F# As Ebm**

It's like your a drug  
It's like your a demon I can't face down  
It's like I'm stunned  
It's like I'm running from you all the time  
And I know I let you have all powers like  
The only company I see is misery all around  
It's like your a leech  
Sucking the life from me  
It's like I can't breathe  
Without you inside of me  
And I know I let you have all the power  
And I realize I'm not gonna quit you over time

**Bm F# As Ebm**

It's like I can't breathe  
It's like I can't see anything  
Nothing but you  
I'm addicted to you  
It's like I can't think  
Without you in  
You're haunting me  
In my thoughts  
In my dreams  
You're taking over me

**Ebm**

It's like I'm not me

**F**

It's like I'm not me

**Bm As F# Ebm**

I'm hooked on you  
I need a fix  
I can't take it  
Just one more hit  
I promise I can do with it  
I'll handle then quit it  
Just one more time then that's it  
Just don't let open  
But you'll get me through this
