

Beautiful Things

Kelly Clarkson

For a while there it was rough
But lately I've been doing better
Than the last four cold Decembers
I recall

And I see my family every month
I found a girl my parents love
She'll come and stay the night
I think I might have it all

And I thank god everyday
For the girl he sent my way
But I know the things he gives me
He can take away

And I hold you every night
That's a feeling I wanna get used to
But there's no man as terrified
As the man who stands to lose you

Oh I hope I don't lose you
Mmm
Please
Stay
I want you I need you oh God
Don't take

These beautiful things that I've got
Please
Stay
I want you I need you oh God
Don't take
These beautiful things that I've got
Please don't take

Please stay
I want you I need you oh god
I need
These beautiful things that I've got
