

# Before Your Love

Kelly Clarkson

I wonder how I ever make it through a day?  
How did I settle for the world in shades of gray?  
When you go in circles all the scenery looks the same  
And you don't know why and I looked into your eyes  
Where the road stretched out in front of me and I realized

I never lived before your love  
I never felt before your touch  
I never needed anyone to make me feel alive  
But then again I wasn't really livin'  
I never lived before your love

I wanted more than just an ordinary life  
All of my dreams seemed like castles in the sky  
I stand before you and my heart is in your hands  
And I don't know how I survived without your kiss  
'Cause you've given me a reason to exist

I never lived before your love  
I never felt before your touch  
I never needed anyone to make me feel alive  
But then again I wasn't really livin'  
I never lived before your love  
I never lived before your love

And I don't know why, why the sun decides to shine  
But you breathed your love into me just in time

I never lived before your love  
I never felt before your touch  
I never needed anyone to make me feel alive  
But then again I wasn't really living  
I never lived, I never lived before your love
