

There was a time
When I was so broken hearted
Love wasn't much of a friend of mine
The tables have turned, yeah
cause me and them ways have parted
That kind of love was the killing kind
Now listen
All I want is someone I can't resist
I know all I need to know by the way that I got kissed

I was crying when I met you
Now I'm tryin' to forget you
Your love is sweet misery
I was crying just to get you
Now I'm dying cause I let you
Do what you do - down on me

Now there's not even breathing room
Between pleasure and pain
Yeah you cry when were making love
Must be one and the same

Its down on me
Yeah I got to tell you one thing
Its been on my mind
Girl I gotta say
Were partners in crime
You got that certain something
What you give to me
Takes my breath away
Now the word out on the street
Is the devil in your kiss
If our love goes up in flames
Its a fire I cant resist

I was crying when I met you
Now I'm trying to forget you
Your love is sweet misery
I was crying just to get you
Now Im dying cause I let you
Do what you do to me
cause what you got inside
Aint where your love should stay
Yeah, our love, sweet love, aint love
If you give your heart away

I was crying when I met you
Now I'm trying to forget you
Your love is sweet misery
I was crying just to get you
Now Im dying just to let you
Do what you do what you do down to me,
Baby, baby, baby

I was cryin when I met you
Now Im tryin to forget you
Your love is sweet misery

I was crying when I met you
Now Im dyin cause I let you
Do what you do down to , down to, down to, down to
I was crying when I met you
Now I'm dyin to forget you
Your love is sweet
I was crying when I met you...
