

# Don't Play That Song

Kelly Clarkson

Don't play that song for me  
Because it brings back the memories  
Of the days that I once knew  
Of the days that I spent with you

Oh no, don't let it play  
It fills my heart with pain  
Please stop it right away  
Because I remember just what it said  
It said, darling

You know that you lied  
Boy, you know that you lied  
You know that you lied  
You lied, you lied, you lied

Remember on our first date  
You kissed me  
Then you walked away  
And I was only seventeen  
I never dreamed that he could be so mean

Oh darling, don't you play no more  
Don't you dare play that song  
You know you lied

Ohh
