

Don't You Wanna Stay

Kelly Clarkson

I really hate to let this moment go
Touching your skin, and your hair falling slow
When a goodbye kiss, feels like this

Don't you wanna stay here a little while?
Don't you wanna hold each other tight?
Don't you wanna fall asleep with me tonight?

Don't you wanna stay here a little while?
We can make forever feel this way
Don't you wanna stay?

Let's take it slow, I don't wanna move too fast
I don't wanna just make love, I wanna make love last
When you're up this high, it's a sad goodbye

Don't you wanna stay here a little while?
Don't you wanna hold each other tight?
Don't you wanna fall asleep with me tonight?
Don't you wanna stay here a little while?
We can make forever feel this way
Don't you wanna stay?

Oh yeeah

Oh, you feel so perfect, baby
Yeah, you feel so perfect, baby

Don't you wanna stay here a little while?

Don't you wanna stay here a little while?
Don't you wanna hold each other tight?
Don't you wanna fall asleep with me tonight?
Don't you wanna stay here a little while?
We can make forever feel this way
Don't you wanna stay?
