

Hold On, We're Going Home

Kelly Clarkson

I got my eyes on you
You're everything that I see
I want your hot love and emotion endlessly
I can't get over you
You left your mark on me
I want your hot love and emotion endlessly

Cause you're a good boy and you know it
I know exactly who you could be

Just hold on we're going home
Just hold on we're going home
It's hard to do these things alone
Just hold on we're going home

You're the boy
You're the one
Gave you everything I loved
I think there's something, baby
I think there's something, oh!

Just hold on we're going home
Just hold on we're going home
It's hard to do these things alone
Just hold on we're going home...
