

# If No One Will Listen

Kelly Clarkson

**C** **G** **Ami**  
1. Maybe no one told you there is strength in your tears  
**F** **G** **C**  
And so you fight to keep from pouring out  
**F** **Emi** **Ami** **G** **F**  
But what if you unlock the gate that keeps your secret soul  
**D** **G**  
Do you think there's enough that you would drown?

**F**  
R: If no one will listen  
**G** **C**  
If you decide to speak  
**Ami** **G** **F**  
If no one's left standing after the bombs explode  
**C**  
If no one wants to look at you  
**Emi** **AmiG** **D**  
For what you really are  
**F**  
I will be here still

2. No one can tell you where you alone must go  
There's no telling what you will find there  
And, God, I know the fear that eats away at your bones  
It's screaming every step, "Just stay here"

**F G C Ami G F**

3. If you find your fists are raw and red from beating yourself  
down  
If your legs have given out under the weight  
If you find you've been settling for a world of gray  
So you wouldn't have to face down your own hate
