

# Just The Way You Are

Kelly Clarkson

You wanna cry tonight  
You wanna give it up  
Your saying not enough  
Well its all in your head  
You wanna ditch your skin  
You wanna different face  
You wanna change your name  
Be somebody else

Well I think your perfect in your skin  
I wouldn't change a single thing  
I know its been a rough ride baby  
But I love you just the way you are  
Just the way you are

You need to change your pace  
You need a different scene  
Retired beauty queen  
In a hand me down dress  
You say you've lost your grace  
You want yesterday  
Well than a fool can see  
How the freckles on your face  
Create the perfect hiding place  
You keep

Well I think your perfect in your skin  
I wouldn't change a single thing  
I know its been a rough ride baby  
But I love you just the way you are  
Just the way you are

You lovely  
Dont you run away  
Now that I recognize your beautiful eyes  
You we're made for me  
Just the way you are

Well I think your perfect in your skin  
I wouldn't change a single thing  
I know its been a rough ride baby  
But I love you just the way you are  
Just the way you are

Well I think your perfect in your skin  
I wouldn't change a single thing  
I know its been a rough ride baby  
But I love you just the way you are  
Just the way you are  
Just the way you are  
Just the way you are  
Just the way you are  
Just the way you are
