

# Run Run Run

Kelly Clarkson

I wonder how your body tastes  
Inside of someone else's place  
Pull away your eyes, there's nothing left to heal  
I'm alone but I know everything you feel

And you waited on the rain  
Through tears my heart is caged  
And we fall through fate  
And we rise and rise again  
And I run, run, run, run, run  
And I run, run, run, run, run  
I run, run, run, run, run  
I just run, run, run

Tell me how you closed the door  
Knowin' nobody could love you more  
Tellin' all your friends that this love  
Was just made for bleedin'  
Hung up underwater but still we keep on  
Tryin' to breath in

And you waited on the rain  
Through tears my heart is caged  
And we fall through fate  
And we rise and rise again  
And I run, run, run, run, run  
And I run, run, run, run, run  
I run, run, run, run, run  
I just run, run, run

Our lust for fightin'  
Tied up in silence

And you waited on the rain  
Through tears my heart is caged  
And we fall through fate  
And we rise and rise again  
And I run, run, run, run, run  
And I run, run, run, run, run  
I run, run, run, run, run  
I run, run, run  
And I run, run, run, run, run  
And I run, run, run, run, run  
I run, run, run, run, run  
I just run, run, run

Our lust for fightin'  
Tied up in silence
