

# When You Say Nothing At All (The Voice Performance)

Kelly Clarkson

It's amazing how you  
Can speak right to my heart  
Without saying a word  
You can light up the dark

Try as I may, I could never explain  
What I hear when you don't say a thing

The smile on your face  
Lets me know that you need me  
There's a truth in your eyes  
Saying you'll never leave me  
The touch of your hand says you'll catch me wherever I fall  
You say it best when you say nothing at all

All day long I can hear  
People talking out loud  
But when you hold me near  
You drown out the crowd

Try as they may, they can never define  
What's been said between your heart and mine

The smile on your face  
Lets me know that you need me  
There's a truth in your eyes  
Saying you'll never leave me  
The touch of your hand says you'll catch me wherever I fall

You say it best when you say nothing at all  
Nothing at all
