

# You're All I Need

Kelly Clarkson

You're all I need to get by

You're like the sweet mornin' dew  
I took one look at you  
And it was plain to see  
You were my destiny

With my arms open wide  
I threw away my pride  
I'll sacrifice for you  
And dedicate my life for you

Ooh, I'll be gone, when you leave  
Always there in time of need  
And when I lose my will  
You'll be there to push me up the hill  
There's no, no looking back for us  
We've got a love and sure enough it's enough  
You're all, you're all I  
Won't stop for, do a little more  
You're all, all the joy under the sun  
You're number one

You're all, you're all I need  
You're all I need, oh yeah, yeah  
You're all I need to get by

Ooh, you are  
Ooh, you are

Honey, honey, honey, honey, honey  
Oh, yeah, yeah, yeah, yeah  
Ooh, oh yeah
