

Hallelujah

The Kelly Family

Fell in love with a beautiful girl
With a beautiful girl that I've never
Seen
She told me to be strong
Someone I loved fell behind
I tried to hold on but I'm not strong
Cause she told me she told me
I'm speechless I'm out of control

Hallelujah to my Mama
Hallelujah she's in heaven
Hallelujah to my Mama
She's in heaven, heaven

Took my pride and my job away
I had a choice to leave or stay
And I stayed yes I stayed now
Took my choice and fought like a dog
Took the chance and now I'm back
And I made it cause she told me
I'm speechless it's in the name of
Mom

Hallelujah to my Mama
Hallelujah she's in heaven
Hallelujah to my Mama
She's in heaven, heaven

Won't let go too easy
I won't let go too easy
Cause I know
I know now
Cause we know
We know now

Hallelujah to my Mama
Hallelujah she's in heaven
Hallelujah to my Mama
She's in heaven, heaven
