

I'll be your man

The Kelly Family

Lately I've been thinking about us two What we're gonna do Where we're gonna lead to, lead to 'Cause Baby I'm realizing how lucky I am I know I'm not a man I'm gonna do do the best I can

I'll be your man (you will be my man) Will you be my woman (I will be your woman) And I'll lend you a hand (I will take your hand) When you're runnin' to a problem Oh I'll be your man (you will be my man) Will you be my woman (I will be your woman) And I'll lend you a hand (I will take your hand) When you're runnin' to a problem Just give me a little time Give me a little time

Baby when I'm sleeping my dreams are filled with you Sometimes I think I am with you Then I wake up seeing it ain't true So I put on my stereo and love songs begin to fly I look at your picture and start to cry That's when I know I'll love you until I die

I'll be your man (you will be my man) Will you be my woman (I will be your woman) And I'll lend you a hand (I will take your hand) When you're runnin' to a problem Oh I'll be your man (you will be my man) Will you be my woman (I will be your woman) And I'll lend you a hand (I will take your hand) When you're runnin' to a problem

Lai la la lai, lai lai lai Lai la la lai, lai lai lai lai lai Lai la la lai, lai lai lai Lai la la lai, lai lai lai lai lai

I'll be your man (you will be my man) Will you be my woman (I will be your woman) And I'll lend you a hand (I will take your hand) When you're runnin', when you're runnin' to a problem Oh I'll be your man (you will be my man) Will you be my woman (I will be your woman) And I'll lend you a hand (I will take your hand) When you're runnin' to a problem Just give me a little time Give me a little time
