

# Keep On Singing

The Kelly Family

Mama left us with a message  
So we'd carry on  
I was just a little baby  
I was just about born  
And so she laid a foundation for so much more  
So much more for the family to hold on to  
Cause in the end this is what she said

Keep on singing  
Like if it was the last thing you did in your life  
Keep on singing  
You're gonna have to sacrifice  
Keep on singing  
And dance with a beautiful smile  
Keep on singing singing  
Sing for the rest of your life

We've been out on our own now  
Trying to survive  
We've been feeding our families  
We've been staying alive  
But all those years we stock together  
Never come true  
Never come true without something to hold on to  
Cause in the end this is what she said

Keep on singing...

And every time when I start to doubt  
And every time when I'm about to give up  
I try to remember what my mother said  
Keep on singing singing  
Singing singing

Keep on singing
