

Key to My Heart

The Kelly Family

There's a part of my heart
Wide and open for you
The key to my heart
It could be you
And if you got the key to my heart
You got to unlock the door
And to unlock the door
You got to find the right floor
You can try you can try
To get to my heart
You can try you can try
To find the right floor
Go ahead and dream
Dream as far as you want
The key to my heart
Is not a dream come true
You can try ...
If you happen to try
You could do fine
But if you happen to fly
Don't fall and cry
Please don't cry please don't cry
You're breaking my heart
Please don't cry please don't cry
You're breaking my heart
There's a part of my heart ...
You can try ...
