

Why Why Why

The Kelly Family

Walking down the streets
You look into a dump
You look into a dump and you say
Why why why why why why
Runing down the highway
As fast as you can
You throw away a tin can and you say
Why why why why why why
Tell me why tell me why
Tell me why you destroy
And you try and you try to destroy
I`m knocking on your door
My knees are on the floor
I get you on the phone and you say no
Why why why why why why
You gotta have a porche
You gotta have a white horse
You gotta be a california dream man
Why why why why why why
Tell me why
Walkin`down the streets
Mediaval warrior riding on this horse
Slices your head and you say why
Why why why why why why
Mediaval warrior riding on his horse
Promissed you heaven but put you through hell
Why why why why why why
Tell me why
