

I Live For Love

Kelly Khumalo

I live for love
I live for love

Kuningi kwenzekile, empilweni yam'
Got my heart broken, laphela lonk' ithemamba
But my heart wouldn't let me, wouldn't let me give up
Ngoba uthando luhle, lumnene, lubanzi

I live for love
I live for love
I live for love

Yes I've been broken
Been down and out
Kwaphela uthando, nenjabulo, nesibindi
I lost my mind, I lost my soul
I couldn't find what makes me whole
Then I found love
I'm in control

I live for love
Nothing is gonna get me down
I live for love
I live for love
I live for love
Nothing is gonna get me down
I live for love

Ngiphilel' uthando, akukho okuzongiphazamisa
Uthando luzongoba
Uthando luzongoba

Ngiphilela uthando, akukho okuzongiphazamisa
Uthando luzongoba
Uthando luzongoba

I live for love
Nothing is gonna get me down
I live for love
I live for love
I live for love
I live for love
I live for love
