

My Testimony

Kelly Khumalo

There was a time
I wanted to give up
I wanted to throw it all away
Because of the pain
The hurt and the loss

Something said no
Something said no Kelly
Remember who you are in me
I have plans to prosper not to harm you
(Ngibubonile ubukhulu bakho)
Ngabona amandla akho (Ngiwabonil amandla akho)
(Yebo Nkosi ngiyavuma)
Yebo (Ukuba unguMsindisi wam)

Ngabona amandla akho (Ngiwabonil amandla akho)
(Yebo Nkosi ngiyavuma)
Ngiyavuma unguMsindisi wam (Ukuba unguMsindisi wam)

I've been called all sorts of names and you said (Be still)
I've been lied to, betrayed and left with a broken heart and you said (Be still)
They tried to kill me, put me in jail, take my love away
And now (So I stood still in prayer, never gave up)
(Until he showed up)

I got to testify
I got to testify
I got to testify

Ngibubonile (Ngiwabonil amandla akho)
Ngabona amandla akho (Yebo Nkosi ngiyavuma)
Yebo yebo yebo (Ukuba unguMsindisi wam)
