

# You Can Fly

Kelly Khumalo

No matter what the problem is  
No matter how big it is  
He's right there to solve it, for you  
Hang in there  
As he promised he'll be there  
Us'bonise ebunyameni  
Obon'engathi okwenzayo akulungi  
Qin' ubesibindi yeah yeah  
Ngoba kuye akukho okungalungi, ooh

(Please don't) Don't  
(Bear any worry) Oh  
(No won't let you down no no) No, oh  
Troubles come  
(Troubles come troubles go) No no no no no  
(Never never, never give up) Never give up, oh no no no

How can you go  
You should fly, fly up high  
When you look down, you will see all your troubles fade  
I believe and you know you can fly away, ooh  
Remember, remember, remember that God is the way  
The truth and life  
Without him, you can't do anything  
Yes I believe, you can fly away

Qala (Qala manje uqonde uqondisise)  
Qala (Yes you can conquer all)  
You can, you can, yes you will qala  
Qala (Qala manje uqonde uqondisise)  
Oh you can fly away (Yes you can fly)  
Up high (Up high)  
Oh fly (Fly)  
Fly (Fly)  
Fly (Fly so high)  
Oh you can (Yes you can)  
You can (Fly)  
Fly oh fly (Fly)  
Fly (Fly)  
Fly (Fly so high)  
You can (Yes you can fly)  
You can fly (Fly)  
Fly (Fly)  
Fly (Fly so high)  
Oh yeah (Yes you can fly)  
Fly (Fly)  
Fly (Fly)  
Fly (Fly so high)  
Yes you can (Yes you can fly)  
You can fly (Fly)  
Oh fly (Fly)  
You can fly (Fly so hard)  
(Yes you can fly)  
I know you can fly (Yes you can fly)  
No matter you're doing (Yes you can fly)  
Yes you can fly
