

# Contradiction

Kelly Osbourne

When I see you  
I forget all that I saw  
I don't feel you anymore

Oh I need you  
But I don't need nothing at all

But your kiss  
That I don't miss  
And your smile  
That I defile  
And oh your touch  
It ticks me off and  
Oh your way  
It makes me crazy  
I don't want you  
Do you want me  
It's an addiction  
The friction  
Of contradiction  
I love you  
I love you  
I love you  
When you go  
I love you I love you I love you  
So tell me no  
I love you I love you I love you  
Leave me alone  
i hate you i hate you i hate you  
i need you so

tell me more now but dont let me know too much  
for knowledge screws me up  
and i may want you  
but i dont want nothin at all

but your time when im busy  
and your mind to make me dizzy  
ill be fine when you dont miss me  
youll be mine when you dont piss me off  
why cant you see right through me  
am i addiction  
the friction  
and contradiction

I love you I love you I love you  
Where you go  
I love you I love you I love you  
So tell me no  
I love you I love you I love you  
Leave me alone  
I hate you i hate you i hate you  
i need you so

I love you I love you I love you  
get outta here  
I love you I love you I love you

when your not near  
I love you I love you I love you  
your killin me  
i hate you i hate you i hate you  
whats wrong with me

cuz i dont need nothin at all  
But your kiss  
That I don't miss  
And your smile  
That I defile  
And oh your touch  
It ticks me off and  
Oh your way  
It makes me crazy  
I don't want you  
Do you want me  
It's an addiction  
The friction  
Of contradiction

I love you I love you I love you  
and When you go  
I love you I love you I love you  
So tell me no  
I love you I love you I love you  
Leave me alone  
I love you I love you I love you  
get outta here  
I love you I love you I love you  
when your not near  
I love you I love you I love you  
your killin me  
i hate you i hate you i hate you  
whats wrong with me
