

Landslide

Kelsea Ballerini

I took my love, I took it down
I climbed a mountain and I turned around
And I saw my reflection in the snow-covered hills
'Till the landslide brought me down

Oh, mirror in the sky, what is love?
Can the child within my heart rise above?
Can I sail through the changing ocean tides?
Can I handle the seasons of my life?
Oh-oh
Oh-oh
Ohh-oh

Well, I've been afraid of changing
'Cause I've built my life around you
But time makes you bolder
Even children get older
And I'm getting older too
Yeah-yeah

Do you know it?
Alright, sing it with me
Here we go

Well, I've been afraid of changing
'Cause I've built my life around you
But time makes you bolder
Children get older
And I'm getting older too
Yeah, I'm getting older too

So take this love and take it down
And if you climb a mountain and turn around
And you saw my reflection in the snow-covered hills
Well, baby
Well, baby
Well, maby
The landslide will bring it down
