

Due West

Kelsey Lu

Do it all, do it all
Do it all, do it all
Do it all, do it all
Do it all
Do it all, do it all (Do)
Do it all, do it all
Do it all

Due west (Do it all)
I'm due (Do it all, do it all, do it all)
Due west (Do it all)
For you (Do it all, do it all, do it all)
Due west (Do it all)
Cali, Cali, Cali (Do it all)
As far as I can go (Do it all)
To California, California, California (Do it all, do it all, do it all)
l)

Worship the ground that you walked on below your pedestal (Due west, I'm due)
My mind put you onto a throne, soon enough, I'll outgrow (Due west, for you)

Didn't know my feet were too big for my shoes (Due west)
Running in them led me to bruise
Falling over, running home to you (Oh, oh)
You had both my fingers and toes turning blue (Oh, oh)
So afraid of cutting me loose
You're holding onto me
(Wear them through I do it all for you)
You're holding on

Due west (Do it all)
I'm due (Do it all, do it all, do it all)
Due west (Do it all)
For you (Do it all, do it all, do it all)
Due west (Do it all)
Cali, Cali, Cali (Do it all)
As far as I can go (Do it all)
To California, California, California (Do it all, do it all, do it all)
