

# Give Me Novacaine

Kelsy Karter

Take away the sensation inside  
Bittersweet migraine in my head  
It's like a throbbing toothache of the mind  
I can't take this feeling anymore

Drain the pressure from the swelling  
This sensation's overwhelming  
Give me a long kiss goodnight  
And everything will be alright  
Tell me that I won't feel a thing  
So give me Novacaine  
Oh, Novacaine

Out of body and out of mind  
Kiss the demons out of my dreams  
I get the funny feeling and that's alright  
Jimmy says it's better than air  
I'll tell you why

Drain the pressure from the swelling  
This sensation's overwhelming  
Give me a long kiss goodnight  
And everything will be alright  
Tell me that I won't feel a thing  
So give me Novacaine  
Oh, Novacaine  
Give me Novacaine
