

Alone

Kelvyn Colt

Leave me alone

With the shawdy supposed to ride
Got nobody on my side

This' what happens if your work is rappin
Think bout' wrappin up and then reside

Somewhere all way out
I'll find a way out

But I done sacrificed too much for this
To give right now if you don't mind

Leave me alone

Switch off the phone
Leave me alone

Out here on my own

Ayeee

Leave me alone

Ayeee

With the shawdy supposed to ride
Got nobody on my side

This' what happens if your work is trappin
Think bout' wrappin up and then reside

Somewhere all way out
I'll find a way out

But I done sacrificed too much for this
To give right now if you don't mind

Leave me alone

Out here on my own
Hustle from night to the morn'
Dusk till the dawn
Bust and I'm gone
Just in my zone
Bus to my home
Ohh must I condone?

I don't want to talk right now
I don't want to spark right now
I don't want to meet your friends
Don't care what you're on about
All that he say and she say is not my style
Leave me alone

Switch off the phone

Leave me alone

Out here on my own

Ayeee

Leave me alone

Ayeee

Leave me alone

Ayeee
