

## A Mother's Love

Kem

In a mother's love  
You'll find  
Everything  
Everything's alright  
To a mother's love  
You are bound  
You can rest  
On sacred ground  
In a mother's love  
You are free  
To dream  
Because she sees  
What you can be  
In a mother's love  
You see the sun  
Enough for two  
but you are one  
In a mother's love  
You can feel  
When something hurts  
You can heal  
Yes a mother's love  
Is real  
You grow

Because she knows  
To let you go

yeah... Mama  
Mother's Love  
Mother's Love yeah  
Alright  
Mama, Mama, Mama  
Mama, Mama, Mama, Ma  
yeah  
A mother's love  
A mother's love  
yeh  
alright  
and a mother's love  
nevers lies  
she believes you can fly  
will hold her mind

A mother's love
