

My Promise Ring

Kemuri

Am I walking the longest slope?
Asking myself so many times...
The night is long...things are going wrong...
The moon is so round over the mound!

My promise ring is telling me 'Never give up! Keep the hope!'
My promise ring is telling me 'Never give up! Keep the hope!'

Break on through the lonely night!
Tomorrow will follow honest faith
Break on through the lonely night!
Tomorrow will never tell a lie!

I have a map in my hand...
I'm at where I tried to be
Somehow I feel like I'm lost
In the starlight I'm so lost!

My promise ring is telling me 'Never give up! Keep the hope!'
My promise ring is telling me 'Never give up! Keep the hope!'

Break on through the lonely night!
Tomorrow will follow honest faith
Break on through the lonely night!
Tomorrow will never tell a lie!

My promise ring is telling me 'Never give up! Keep the hope!'
My promise ring is telling me 'Never give up! Keep the hope!'

Break on through the lonely night!
Tomorrow will follow honest faith

Break on through the lonely night!
Tomorrow will follow honest faith

Tomorrow!
Tomorrow!
