

My White Station Wagon

Kemuri

Driving down the highway singing a song...That was such a very cold winter day
I was flying back to LA!(one way flight back to LA)
My mom was giving me a ride and she was in a little sentimental mood
My ticket was one way, she was unhappy, well...(one way flight back to LA)

What? The engine stopped!
Out of blue, it stopped!

Wow, wow! Why'd my white station wagon break down?
Wow, wow! Why'd my white station wagon break down?
I got to catch a flight leaves at 18:00, the United back to LA!
I just can't miss it, but I am stuck...the sun goes down beyond the sound...

The wheels were spinning but the engine stopped,
Tuning the ignition but it wouldn't work
Opened up the hood and couldn't find a bad part! (everything looks so black and bad...)
I used to go camping with this car, I helped my friends moving with this car
She just doesn't want to work no more (will never work again!)

What am I going to do?
Stopped out of blue!

Wow, wow! Why'd my white station wagon break down?
Wow, wow! Why'd my white station wagon break down?
I got to catch a flight leaves at 18:00, the United back to LA!
I just can't miss it, but I am stuck...the sun goes down beyond the sound...

Aya ya ya yai! Aya ya ya yai! Don't have a cell phone, my mom is crying...!
Aya ya ya yai! Aya ya ya yai! It's gonna be alright mom, please, please stop crying...!

Wow, wow! Why'd my white station wagon break down?
Wow, wow! Why my mom is having a nervous break down?
Wow, wow! Why'd my white station wagon break down?
Wow, wow! Trying to face it positive! Face it!

Calling up JAF from the emergency phone, they said 45 minutes to go
Setting up a triangle emergency sign, a mother and a son so lost on the highway...!

Aya ya ya yai! Aya ya ya yai! My white station wagon stopped running!
Aya ya ya yai! Aya ya ya yai! My flight is leavin' in 20 minutes...!!
