back from the dead

Ken Carson

Bitch I'm back from the dead just like Chief Keef
I resurrected and these niggas still ain't rich as me
I spent a quarter mil' on jewelry last year at least
I spent the same thing on my bitch and spent some more on me
Bitch do the math, that's just one mil' I made through quaranti
ne
You don't know the hell, you don't make no money, lil' boy, you
broke
I got it out the mud, I scraped it out the bowl
On Instagram they flood, all that shit I post on

I get fly this Balenciaga, hell nah, these Girbauds
I made my bitch put black nail polish on her hands and toes
I'm rockin' Alyx, you don't know nothing about this
Shoutout Myles Hall, that's my bro
I ain't worried about him, ain't worried about her, I'm just wo
rried about reaching my goals
He broke as fuck, she broke as fuck, why they worried about me
selling my soul?
I'd do anything for my folks
Niggas talkin' shit but they broke
Switchin' lanes right now, you can get gunned down, I'd do anyt
hing for that load
She'd let the whole gang hit, suck the whole gang dick, she'd d
o anything for that coke (Coke)
Go, shawty go, go
I got my racks up, bitch, I don't need you no more
She say I fuck her better, she don't need you no more
Got cashmere on my sweater and my pockets got B-roll
X-Man, yeah, I'm a villain, I don't wanna be no superhero
Or no role model at all, bitch, I'm the opposite
I fuck bitches, pour lean, smoke weed, and pop X
If your kid look up to me, they on some other shit
I got these hoes all under me, they all tryna suck my dick
Yeah, they fighting for it, I wanna see her lion roar
I got this cougar bitch, she old just like a dinosaur

Bitch I'm back from the dead just like Chief Keef
I resurrected and these niggas still ain't rich as me
I spent a quarter mil' on jewelry last year at least
I spent the same thing on my bitch and spent some more on me
Bitch do the math, that's just one mil' I made through quaranti
ne
You don't know the hack, you don't make no money, lil' boy, you
broke
I got it out the mud, I scraped it out the bowl
On Instagram they flood, all that shit I post on
