I been gettin' money, give a fuck 'bout a friend
Way back in the day I wasn't Ken Car\$on
She wasn't fuckin' with me now she tryna get in

Fuck on that bitch, fuck on her friend
Make sure you wrap it up just like saran
Now they all on my dick, they was laughin' back then
I don't fuck with you, why do you keep calling me twin
I'm making plays, ain't making no friends
I'm servin' J's, ain't talking Jordans
On the block making plays like I'm from the [?]
But if I see 12 I'm jumping the fence
If I see 12 I'm jumping the fence
I jump out the coupe, I jump out the Benz
I jump out my body 'cause I'm high as shit
Pour some Wock, roll a blunt, pop a pill like a zit
Japanese brands on my whole fit
Number (N) ine shirt with a CDG Cardigan
Undercover my pants, Maison Mihara kicks
Niggas stealing my swag, need to get off my dick
I'm really swaggin', all you niggas rocking is Rick
Or JPG, but really that's it
Niggas ain't fucking with me when it come to dressing
This shit not out the mall, you won't comprehend
Lately these niggas been so feminine
They dressin' like women, they don't look like men
The niggas do anything just to fit in
I do what I want 'cause, lil 'bitch, I am Ken Car\$on
And I got that Benz parked outside
It's two of you, but only one of you can fit in my ride
One of you can get on my lap, one of you can sit on the other side
Both of y'all coming home with me, I'm havin' a threesome tonight

Ayy, yeah, I been braggin' bitch
Ayy, ayy, yeah, I been havin' this
Ayy, ayy, yeah, I been swaggin' shit
Ayy, ayy, yeah, I been braggin' bitch
Ayy, I been braggin'
Ayy, I been braggin'
Ayy, I been havin'
Ayy, I been havin'
Ayy, I been havin' this shit since I was like ten
I been gettin' money give a fuck bout a friend
Way back in the day I wasn't Ken Car\$on
