Ayy

I roll up the back today
I pour up the pint today
I pop me a pill, okay, uh
It's time to celebrate, yeah, ayy, yeah, ayy, yeah
It's time to celebrate, yeah, ayy, yeah, ayy, yeah
It's time to celebrate
I fuck hoes that you can't
I rock clothes that you can't
I get high, I still won't bake, yeah
It's time to celebrate, yeah, ayy, yeah, ayy, yeah
It's time to celebrate, yeah, ayy, yeah, ayy, yeah
It's time to celebrate

I treat every day like it's my birthday
My bitch ass fat but I don't need no cake
I got them racks, but I don't need no cake, uh
It's time to celebrate
Yeah, I pull up and then I'm dropping the bankroll
Pouring up drank, I'm sipping it up
Throw it in me, you want it, I'm switching the clutch
If he want some smoke, he get lit like a Dutch
You get shot in your shit, ain't no fuckin' with us
I fuck on your bitch and I'm makin' her cuss
I pour up the Wockhardt, this isn't no Tuss
Say he finna drop and he send it to us
I swear if it daze, you know it's a must
You know it ain't nothin' new to us
You say that's your hoe, but she say she love us
She fuck with the gang, know it's big Opium (Yeah)

It's time to celebrate, yeah, ayy, yeah, ayy, yeah
It's time to celebrate
I fuck hoes that you can't

I get high, I still won't bake, yeah
It's time to celebrate, yeah, ayy, yeah, ayy, yeah
