

Yeah she so down to earth  
I Hermes her purse  
I'm the one who turned her up  
I put Hermes on her  
Hermes, bottega no feelings it's not love  
I've been spending yeah it's still wasn't enough  
Baecation Japan you can't bring a friend  
If you fucking with me  
Don't fuck with  
No rush I'm a take my time yeah  
No rush I'm a take my time with it  
This year got big I'm the biggest  
If you mines I'm yours you don't need feelings  
Is you hot yeah I'm fresh out the skillet  
You don't dress like me little silly  
All these niggas got bullet like  
Make mills nah I'm trying to make a billion  
Oh you think he tough I don't see it  
I don't post that much I'm off the grid  
Oh you mad for what you should've slid  
I'm a beat that case fuck the  
Gotta beat that case I'm too lit  
Shawty wet I'm like oh shit  
You can bet that over I don't miss  
You can bet that over I don't miss  
Eyeballs like Iris I see you  
Can't let nobody get in your way yeah  
You gotta beat it  
Can't let nobody steal your stage yeah  
Oh them niggas hating that's just rage babe  
Oh you thought I wasn't I'm on the same thing  
Pull out black trucks I'm with the gang gang  
Chains and watches you know how we got it  
Good brain she will  
Butterflies when I'm texting your phone  
I want your mind I want your body  
Yeah I'm all about you  
Whenever you need me I got you  
Shawty so important in my life I don't know where I be without you  
Codeine, promethazine girl I'm addicted to you  
How you got an attitude with me when you the one that fucked up  
I thought you was down to earth yeah  
I wish we could go back to how it was at first yeah  
And get that time back  
I'm on your timeline and for you babe you can't decline that  
I done lost it woah I don't know where my mind at  
She a bossy hoe how do that work when I'm the one who boss up  
No matter what you do it will never ever be
