

Evolution

Ken Carson

Gotta put in just get it where your Porsche
This shit is expensive my outfit cost a fortune
Shawty need a sponsor ain't doing no endorsing
Swag bitch this is evolution
I built an empire I feel just like Lucious
Ain't no nigga flyer I'm on G6 right
Ain't no nigga higher my neck water cruise ship

Nigga I'm elusive can't no nigga fuck with me
I'm so rockstar but ain't no punk in me
This hoe an imposter huh I make her seen
Me and gang just like a sports team
Trying to win a championship ring
Three diamonds I go God
Slide em out I'm a go Homixide
These niggas so gang pull the bitch huh huh
Yeah I'm with the fives
Down to ride shawty a rider
Ready to slide looking for rival
Gloves mask I'm a robber
Built the ass he need a
Starting the problem
Be my revenge Kill Bill
She want blue pill
Need that wifi I'm in the air
This shit don't stop I'm a pop this yeah
Why you pressing that hoe I've been popped her
Should've killed your
We knew we would
Rockstar bitch made a same falsetto
You grew up rich I'm from the ghetto
Wouldn't freak out like that how you catch
You are just not a good fellow
Send a fake track and for that pack I ran off with money
She got Ken tatted on the tummy
She got Ken all in the stomach
She like ask you Ken Carson too hot yeah I need my Ken
Moshpit it's just me and my fans
Pop shit it's just me and my band
I fuck hoes it's you and your hand
I don't need no bitch for nothing
No too rich I ain't going to give it up
I ain't giving shit to her
Flew the hoe she got water
Ain't keeping over what I bought her
This money fuck these hoes it's how I brought up
It was how you let me catch
Peso
For the police free dog yeah
My pockets having dog shit
My swag overloaded
I'm sounding like
Put a on your forehead
Niggas talking about that hoe shit
Niggas talking too much they need to listen
She got
I'm in my prime

Free game and I'm
Black opps yeah I'm shooting
No face mask on I'm on camera
It get shiesty when I go on that shiesty
Young vamp life like she wanna bite me
Too much motion move the I'm moving
Those my shoes at the house I moved in
This shit ain't none
I got this bitch moving
She gotta go with my move
005 yeah with the moves
No motion yeah he can't move nothing
Big ten mill you got a lil gun
300 black
Cancel me now I'm fucking this black hoe
Say what I mean I'm ain't speaking no typo
I got tight clothes
I was just fucking a Mexican
Met her on tour we gon flex again
Pour that dirt in my medicine
Pour that shit up I'm inhaling it
Elegant
I just fucked a
Trying to beat all of my cases
Huh let that cake hit
Huh huh gave her a facial yeah yeah
She said she don't do this
I this on occasion huh huh
Actually been in a coffin I swear I'm out of town or
More chaos, more hoes yeah more glock

Gotta put in just get it where your Porsche
This shit is expensive my outfit cost a fortune
Shawty need a sponsor ain't doing no endorsing
Swag bitch this is evolution
I built an empire I feel just like Lucious
Ain't no nigga flyer I'm on G6 right
Ain't no nigga higher my neck water cruiseship
