How 2 Flex

Ken Carson

I miss you, Bryce
Y2, is that you?
Star Boy motherfucker, you different

I'm on some young nigga shit, I don't follow no leader, I don't follow no rules
This how I flex on this bitch, everybody know me when I walk in the room
This how you flex on them niggas that was talkin' down and ain't believe in you
This how you flex on a bitch and go get you some money, go get you some jewels
This how you flex on them niggas, go buy you a big house with a pool
When I ain't know how to flex, I ain't know what to do
I had to run up a check, I had to make me some moves
If you don't know how to flex, pay attention, I'm showin' you
I can teach you how to flex, yeah
I can teach you how to flex, oh yeah
I can teach you how to flex, yeah
I can teach you how to flex, yeah

I got me a check like Young Thug
These niggas ain't gang, these niggas be dubs
These niggas can't hang, he tried one of us and he heard a bang
Shoot him from the waist up, hit him in his brain
He tried to rob and he died 'bout a chain
Hollow tip bullets, they fill you with pain
He thought I was sweet, yeah, he thought I was lame
But I'm ready to shoot and I got good aim
When I'm off of the boot, I can't be tamed
I roll me some weed, I roll some Mary Jane
When I'm off the lean, I'm floating like a plane
When I'm off ecstasy, I can feel everything

Yeah, this how I flex
Yeah, this how I flex
Yes, this how I flex
Yeah, this how I flex
Yeah, this how I flex
Yeah, this how I flex
Yeah, this how I flex
