Ken Carson

Damn

I see the influence, yeah
I see the influence, yeah
He swaggin' just like me
His swag is just like me, yeah
He swaggin' just like me, yeah
She swaggin' just like me
My swag contagious, aye, yeah, aye, like a disease
Yeah, my swag real crazy, aye, yeah, aye, I'm rockin' mink
I got all these hoes goin' crazy, aye, yeah, aye, they rockin' with me
She like "Aye boy, your swag so crazy", aye, yeah, aye, I'm rockin' Celine

My outfit cost a spleen
My outfit cost a limb
I don't give a fuck 'bout what it cost
I treat all my clothes like they worth a mill'
Lil' shawty said she want me to pay her bills, hell nah, I ain't doin' that
shit
If I give you my money, how I'ma stay rich?
I ran it up, stackin' it, do it again
I beat her back out, then I go fuck her friend
Better hide your ho', bet' not bring her 'round Ken
'Cause if I see her and I like her, you know I'ma hit it
I'm a real rockstar, give a fuck about no [?]
Yeah, these niggas be lame, yeah, these niggas be simpin'
You niggas goin' out sad 'bout these hoes
These niggas goin' out bad 'bout these hoes
I'm just countin' cash with my bros
These niggas be snakes on the low
That's why I keep my grass cut
I mean, that's why I stay in the hotel
Spend hundred a night, bitch, I don't give no fucks
Yeah, you livin' life, but you live it like us
Your bitch call me, I call her [?]
I'ma pull up on her, yeah, you know I'm gon' fuck
Yeah, you know I'm gon' fuck
Yeah, you know I'm gon' fuck
Yeah
Yeah, you know she gon' fuck
Yeah, yeah, aye
Yeah, you know she gon' fuck
She said I'm rich, and I'm lit, she can't give that up
She texted me, and she sent some naked pics, I told her, "Give that up"
Yeah, aye, yeah
I tell her, shawty, we can rock out, but I can't save her
I only wanna fuck the night, nah, I ain't tryna slave her
Nah, I ain't tryna slave her
And I ain't tryna save her
I'ma fuck her then let that bitch go

I see the influence, yeah
I see the influence, yeah
He swaggin' just like me
His swag is just like me, yeah
He swaggin' just like me, yeah
She swaggin' just like me

My swag contagious, aye, yeah, aye, like a disease
