Aye my price going up
My life going up

My shit going up

Trifling

These bitches ain't none
I been
I been
On a money hunt
I been hunting that money down
I count that shit up hunnid, fifties, no twenties
If you ain't talking 'bout no money ya
Then leave me out the conversation
I just get to that bag like I'm racing
'Cause I know shit ain't free ain't no mason
I don't go out if that shit don't make sense
Only go out if it's for the cash
You'll never see my face you'll never know where I'm at
'Cause I only pop out for that bank yea
I only pop out for a bag yea
I only pop out for that bank
I only pop out for a bag

Change my life up
Iced up
