

Money Spread

Ken Carson

Huh, money spread, money spread, money spread
Money spread, money spread, money spread
Money spread, money spread, money spread
I got hundreds and fifties, huh
I got hundreds and fifties
Money spread, money spread, money spread

Pinks and blues like bubblegum
Pinks and blues like bubblegum
Pinks and blues like bubblegum
Pink fifties and blue hundreds, yeah, look like bubblegum
Showed her my money spread, she spread her legs, yeah, I got her sprung
Caught a fucking casa, every bedroom the master
Tall model, this a fuck this ho, you gotta use her, let her talk
Model bitch, so fuck this ho, you gotta use her, let her
This more chaos versus beautiful, then it's a disaster
It's a money spread, hands going up my leg, yeah, yeah, she wanna ride it
She wanna ride it, told her to get on the pig
I'm up inside her, could've been a gynecologist
Drunk as fuck, yeah, and I know you ain't got no money spread

Huh, money spread, money spread, money spread
Money spread, money spread, money spread
Money spread, money spread, money spread
I got hundreds and fifties, huh
I got hundreds and fifties
Money spread, money spread, money spread
