Ken Carson

New whip, new car, new coupe
New fit, new swag, new shoe
New bitch, new broad, new boo
I win, I win, you lose
Who would've ever knew?
New life, new, new view

New fit, new swag, new coupe
New fit, new swag, new coupe
New fit, new swag, new shoe
New bitch look like New New
New bitch look like New New
New shit, new life, new view
New shit, new life, new view

New shit, yeah, don't get it confused
With that other shit, yeah, 'cause I'm not like you
I'm on some other shit, yeah, I'm on some whole 'nother other
Other shit, yeah, I'm on some whole new
New fit, new car
New bitch, new broad
New crew, new entourage
Fuck that shit, I don't need nobody at all
All these niggas do is complain, all these niggas do is sob
I'm ridin' 'round in the back of that Range and I'm gettin' me some top
Lil' shawty goin' too insane, I told her, "Baby girl, don't stop
Keep goin' until you get lockjaw"
I'm gettin' money, these niggas gettin' robbed
I spent two-fifty just on chains
Spent like one-eighty on both of my wrists
And I bust down my teeth, no, these not Johnny Dang
And I copped the AP, yeah, it's plain
What I'm coppin' out of your price range
My new swag, you cannot attain
I ship my new bitch Edible Arrangements
Bitch, I'm rich, it ain't nothin' I can't get
I spent four K on a blanket
My new bitch, yeah, she a model
Her ass flat, but I'ma still spank it

New whip, new car—
New fit, new swag—
New bitch, she bad
New fit, new swag, new shoe
New bitch, new broad, new boo

New fit, new swag, new coupe
New fit, new swag, new coupe
New fit, new swag, new shoe
New bitch look like New New
New bitch look like New New
New shit, new life, new view
New shit, new life, new view
