(Wake up, F1LTHY)

I fuck Barbie bitches, yeah, yeah, all my hoes plastic
All my hoes know how to act, all my hoes classy
All my hoes fuck me like they life on the line
She fuckin' with the gang, yeah, she know every gang sign
If I call her, she gon' pull up, yeah, every time
I got one in the head, yeah, of my .9
I'm paranoid, I'll take your life, yeah, before you take mine

And my weed way louder than a speaker, lil' boy

I'm in a Trackhawk, I do supercharging to it
My FN souped-up, this is not a toy
And I need my money first, before you proceed to move forward
And I got your ho on her knees, 'cause she know she just met the Lord

And that Kel-Tec gon' make a nigga flip like gymnastics
I fuck Barbie bitches, yeah, yeah, all my hoes plastic
All my hoes know how to act, all my hoes classy
All my hoes fuck me like they life on the line
She fuckin' with the gang, yeah, she know every gang sign
If I call her, she gon' pull up, yeah, every time
I got one in the head, yeah, of my .9
I'm paranoid, I'll take your life, yeah, before you take mine
Yeah, I'm paranoid
