Please don't leave me alone, baby  
I don't know what I'd do with you  
I don't know what you'd do without me  
I count all these racks just for me and you  
I get to the bag just for you and me  
I know I don't brag about you and me  
And I don't post you on Twitter or IG  
'Cause we got what they want and I know they envy  
And our conversations be runnin' real deep  
She say when she talk, I'm never listenin'  
But I give her good dick, that's why she'll never leave me alone  
Ring, ring, your bitch callin' my phone  
She ask where I'm at, I'm at home  
Yeah, these hoes, they can't leave me alone  
Bitch, I'm too high, I'm smokin' on strong  
I get high just to get in my zone  
Just the other day I was unknown  
Now these hoes wanna fuck cause I'm on  
In 2016 I was swaggin' in Comme  
Niggas thought I was weird, but I had this shit on  
I was fuckin' this bitch, she was bad to the bone  
My bitch better, she don't leave me alone, yeah
