Duh

These niggas ain't serious, these niggas just playing
I laugh to the bank, I leave with them bands
And if that boy play, I put him on him and his mans
Oh, you still rock the Raf Simons stans?
Uh, I still don't rock no Amiri pants, uh
Yeah, I don't rock no Amiri pants
Saw my swag, now they staring and glaring
Cause them bitches don't know what I'm wearing
And these niggas don't know what I'm wearing
Uh, yeah, this Givenchy and um- Balenciaga and I'm rocking Ricky
I was fucking on this bitch the other day, her pussy was so sticky
Boy, I ain't even pull out but I wrapped it up, a bitch ain't trick me
Hell nah 'lil bitch, can't get me
I'll make this hoe swallow my seed before I let this hoe have a baby with me
I can't go out like that boy on the Hornets team
No I can't go out like PJ Washington
I fuck on a hoe, make her lock her knees
Make her suck on my dick and she lock her jaws
Then I put my shoes on, bae I gotta leave
Hell nah, 'lil bitch, can't get no time from me
I look at my wrist and I know that shit frozen
This a Chrome Heart rollie
See me, I really do this shit, these niggas be posing
Only time that I'm posing is when your bitch in front of me bussin' it open
The Glock on me, it's poking
And it came in extended, it's hard to tote it
I'm freestyling, ain't wrote shit
I'll make a bitch roll up my weed up, and she don't smoke shit
She fuck with me cause she know I got them bands, and yeah, you be on some b
roke shit
I just came back from France and they couldn't understand what I was saying
They said that my English advanced, but really I'm just speaking lingo
I'll snatch a nigga chain just like I'm Deebo
I went zero to 100, this niggas is zeroes
I count up [?] money, this shit is a [?]
It look like I just won a game of bingo
It look like I just hit the lottery, and I got your vibe with me
And she on the side of me, I told her to hop in my ride, let's go
Don't be mad I got 100 vibes 'lil bro
Can't be mad at a nigga with 100 hoes
But these niggas gon' always find a way to hate
Yeah, these niggas gon' always hate on the low
