

# stuck

Ken Carson

(808)

Yeah, ayy, ayy, ayy, ayy (808, 808 Mafia)

Ayy, ayy, ayy, ayy, ayy

Yeah, ayy, ayy, ayy, ayy

Yeah, ayy, ayy, ayy, ayy, ayy, ayy

Pour it up, ayy

I just poured up, uh, yeah, uh, in my cup, ayy

She say she just wanna come over and fuck

Yeah, I'm too busy today, baby, I'm running up them bucks

Ayy, I'm running up them bucks, ayy, yeah

I don't do nothing for her, she just wanna get fucked

Pouring lean got me stuck

Rolling weed got me stuck

Popping beans got me stuck

Shotgun for you dogs

Give a fuck if you mad

Shit, it was what it was

Pull up deep with the Bloods

Pull up deep with the brrt

Make your vision go blurry

Double cup, slurred words

Put a bad bitch off Xans, ecstasy, and a Perc'

Ain't even go in her pants, she still paid me like the first

29 My bands on the way from the 'burbs

I remember all them times I was sitting up in the stands

Know too many niggas sitting home waiting for a chance

Pop off in they hands

Pour it up, ayy (Slatt)

I just poured up, uh, yeah, uh, in my cup, ayy

She say she just wanna come over and fuck

Yeah, I'm too busy today, baby, I'm running up them bucks

Ayy, I'm running up them bucks, ayy, yeah

I don't do nothing for her, she just wanna get fucked

Pouring lean got me stuck

Rolling weed got me stuck

Popping beans got me stuck
