

Who's Next

Ken Carson

(Loesoe going crazy)
Ayy, uh, ayy, uh, ayy
Yeah, uh, ayy, uh, ayy, uh, ayy

Party like it's Project X
Got weed, got pills, got lean, got sex
She say, "Ken, boy, you fuck me the best"
And her best friend like, "Do me next"
But no, I'ma pass that ho like a test
Right to my dawg like we playin' fetch
I ain't worried 'bout a bitch 'cause I'm the catch
After fuckin' with me, then bitch, who next?

Who next? Yeah
Who next? Yeah
Who next? Yeah
Who next? Yeah

Who you fuckin' with next after fuckin' with me?
Accordin' to you, I'm the B-E-S-T
Oops, I mean, accordin' to me
Accordin' to me, I'm at my best off a bean
I'm rollin' up weed, I'm pouring up lean
I get high as fuck, I'm on cloud thirteen
If I spot a opp, I'm shootin' the scene
Bitch, I got good aim, I don't need a beam
And I make it rain bullets on your team
I don't miss shit, boy, I hit everything
I hit your bitch, boy, I make that ho sing
Know you a bitch, boy, you ain't on nothing
Yeah, I know you a bitch and you ain't gon' do shit
If she ain't fuckin' with me, then who she fuckin' with?
Shit, I don't know, I ain't worried 'bout it
I pull up to the party, they like, "Who is this?"

Party like it's Project X
Got weed, got pills, got lean, got sex
She say, "Ken, boy, you fuck me the best"
And her best friend like, "Do me next"
But no, I'ma pass that ho like a test
Right to my dawg like we playin' fetch
I ain't worried 'bout a bitch 'cause I'm the catch
After fuckin' with me, then bitch, who next?

Who next? Yeah
Who next? Yeah
Who next? Yeah
Who next? Yeah
