

# **Yale**

**Ken Carson**

Uh, I keep your ho upstairs  
When she wanna fuck, I just tell her, "Ring the bell"  
Hit her from the back, she can't do nothing but yell  
And she smart as fuck, I got this bitch straight out of Yale  
Yeah, yeah, yeah, yeah  
And you know I'm high as fuck, my eyes just red, but they was just pale  
If it's up, then nigga, it's stuck, don't come outside, not even for air  
Got a Glocky on my hip and I'll blow this bitch just like a ref  
'  
Yeah, yeah, yeah, yeah  
Niggas thinking this shit sweet 'til one of they partners disappear  
Give a fuck 'bout your mama crying, give a fuck 'bout that lil' bitch shedding tears  
Gotta keep the fire by your side because the opps is always near  
Yeah, yeah, yeah, yeah  
Double cup, ho, I sip lean, know all these old niggas sip beer  
All I do is just lead and all these lil' niggas just cheer  
20/20 my vision, but I swear this shit ain't been clear  
Yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah
