

# Crying

Ken Hensley

I'm crying  
From deep in my soul to the core of my heart  
I'm crying

And I'm crying  
For the door to close so I can make a new start  
I'm crying

I'm trying  
To understand it all, how I missed the call  
I'm trying

And I'm dying  
From the pain inside and all the tears I've cried  
I'm dying

I wanna hold you again 'till the nightmare ends  
Let our love wash away the lost years  
I wanna kiss you again, I wanna kill the pain  
And swim in the flood of our tears  
But I can't do that now because  
You're far away from me  
I let you go somehow and now  
It's much too late to see the light

One mistake, is that all it takes  
To erase the love of my life  
Seems insane that one moment's shame  
Can wipe out all that I've done right  
And I tried, how I tried  
Still our love found a place to hide  
And I've tried, God knows I've tried  
Still our love left and died
