

Give 'Em What They Want

Ken Hensley

Don't ask them what they're looking for, don't ask them why
'Cause they can't really tell you right from wrong
An educated guess will be the best you'll get
'Cause without a soul they'll never find the heart of a song

Don't waste your time imagining you're getting through
Don't kid yourself that anybody cares
It doesn't make a difference what you try to do
Just don't waste your time
Get it straight in your mind

Give 'em what they want
Give 'em what they're looking for
Just give 'em what they want
And send them away
Send them away
