

## No More

Ken Hensley

You've been cheating me so long  
Giving me the run around  
Spreading evil everywhere you go  
But I tell you here and now  
You will pay the price somehow  
You can say goodbye  
To everyone you know

'Cause I won't take no more  
No more, no more of your lies  
No no no more  
No more, no more

You mean one thing  
And say another  
Trying to confuse your brother  
It's all too much  
For me to understand  
For you will need my help one day  
And I just might turn you away  
Think about that while you're  
Holding out your hand

So you think you can run around  
Breaking people's hearts  
Tearing apart the ones  
You should love  
Well, I think you would be wiser  
To heed the prophets words  
One false move and  
All your love is lost

Write it down to experience  
It's all part of life  
And who will be the loser in the end  
But is that really what it's all about  
Is it reason enough  
To sing and shout  
You lost another lover  
But you've also lost a friend

No more, no more  
No more of your lies  
No no no more  
No more, no more
