

The Last Time

Ken Hensley

I've travelled across the universe
On wings of golden light
The lady of the mountain
Brought me comfort in the night
But the love I really need
Is further from my sight
It is yours
Oh tell my lover
I'm coming home

For the last time

I have seen the children playing
As I watched the sun go down
I've shared their games
And sung their songs
And helped their world go round

And although I know enough of life
To tie up my own shoes
I still need you
Oh tell my lover
I'm coming home
For the last time
Oh tell my lover
I'm coming home
For the last time
