

# You've Got It

Ken Hensley

You want it, you've got it  
It's all yours, the American dream

One by one, two by two  
We all step out into the human zoo  
Three by three and four by four  
We've all got ours but we still want more  
Six by six and five by five  
It's success we want, dead or alive  
Seven by seven, eight by eight  
I'm alright jack and I ain't gonna wait

It's real fright, it's real white  
It's in your neighbourhood tonight  
It ain't cheap, it's no escape  
It's here and now, the devil's rape

You want it, you've got it  
It's all yours, the American dream

It's in the air, it's in the street  
Just one hit, your image complete  
I know 'cause I've already been there  
An empty pocket and an empty head  
No-one listens to a word you've said  
Just give it up and dish it out  
They'll make you think that they really care
